## PFOTM Membership Is Important

Helloooooo! It may be time for you to renew your membership in the Phoenix Friends of Old-Time Music. Remember your membership fees help PFOTM to preserve old-time music in Phoenix by presenting and promoting dances, concerts, and other special events throughout the year. Your membership also entitles you to discounts at most PFOTM events. Your support and participation means a lot to us. By giving financially or as a volunteer, dance participant, musician, caller, board member and friend, you contribute to the cultural enrichment of the community. Because you participate, old time music and dance will never die.

In an effort to simplify the membership renewal process, we have made **September 1** the annual renewal date for all memberships. For those who are current with dues paid during 2006, dues will not be payable again until September 2007. You can pick-up a membership form at any PFOTM contra dance or down-load a membership form through the PFOTM website at this url: [www.pfotm.org/membership.html](http://www.pfotm.org/membership.html)
